MASCO MACHINE INCORPORATED

5405 Avion Park Drive
Highland Heights, Ohio 44143

(l to r): Ed Laylin, Al Porter, Ed Netzel, Terry Yerkic, Greg Bozek

On June 30, 2000, a group of Masco Machine Incorporated employees successfully completed the course, *INTERNAL AUDITING: Mini-Audits for Maximum Results*. The course was conducted by John Novak, from KAVON International, Inc.

Masco Machine Incorporated is a leading manufacturer of machine tools for many diverse industries including the; automotive, electrical, medical, aircraft, hydraulics, and aerospace industries. Its products include flexible manufacturing systems featuring horizontal and vertical CNC machining centers, micro-finishing systems, in-line transfer machines and dial machines.

Since it's founding in 1962, Masco Machine Incorporated has evolved from designing tools and dies to designing and building machining systems including transfer lines and CNC (Computer Numeric Control) machining cells and systems.

For more information on this course, or others offered by KAVON International, Inc., please contact us at 888-637-9598.
