On January 23, 2001, a group of Thomas Steel Strip Corp. employees successfully completed the course, **INTERNAL AUDITING: Mini-Audits for Maximum Results**. The course was conducted by Frank & John Novak, both from KAVON International, Inc.

Thomas Steel Strip Corporation is a full-range, low carbon steel strip producer specializing in a diverse line of bright finishes and pre-plated products coated with bright or dull nickel, nickel-zinc alloy, copper and brass. Their unique capabilities include extremely tight tolerances, a variety of technical finishes and tempers, and state of the art electroplating which meets the most demanding, technically driven end use applications.

Thomas Steel Strip is registered to the ISO 9001/QS-9000 quality standards.
