Back Row (l to r): Kevin Longley, Paul Verib, Paul Krenz, Lee Gustafson, Edward Glavasevic, Andrew Masie; Front Row (l to r): Adam Krenz, Sanford Brooks, Michael Kren, Michael Smith, Kenneth Gray, Tom Fazekas (KAVON Instructor)

Krenz Krist Machine, Inc. had a group of its employees successfully complete the course, *INTERNAL AUDITING: Mini-Audits® for Maximum Results* on May 28, 2002. Tom Fazekas and John Novak, from KAVON International, Inc., conducted the course.

During the course, the students were introduced to the concept of internal auditing and its importance in achieving ISO 9001:2000 registration. Through the exercises used during the course, the students gained an understanding of how the Mini-Audit® approach to internal auditing will help the company maintain compliance without causing major disruptions in the business operations.

Krenz Krist Machine, Inc. is a third generation, family run business located in North Royalton, Ohio. Since 1967 they have grown from a tiny two-man operation to a full service job shop that can handle the precision machining needs of their clients, from prototype to high volume production.

They specialize in medium to high volume production of custom components for OEM's using rotary transfer, screw machines, CNC turning and milling.

Krenz Krist Machine, Inc. is seeking registration to the ISO 9001:2000 quality standard.
